

Betsy Barske

What are your current roles at TI (BOD, Officer, Committees)?

I am a current member of the Temple Israel Board.

How long have you been a member of TI?

Officially, my husband and I have only been members of TI since July 2017. However, I have been attending TI with my family for the High Holidays for more than 10 years.

What do you do for work and in your free time?

I am a senior supply chain manager for Baskin-Robbins. I oversee all of the frozen and dry distribution in the U.S. and Canada and work closely with our franchisee partners. I also work part time for Social Expressions, a local catering company. In my spare time, I like to walk and play with our two dogs, Stewie, an English bulldog, and Nikki, a boxer. I also volunteer for the Joy In Childhood Foundation, love to bake, go to the movies, make people laugh, and enjoy spending time with family and friends.

What excites you most about the future of TI?

When I became a member of TI, I really wanted to get involved to be able to make a difference. In meeting members of the Board and TI community, there are so many great ideas and initiatives that people are really passionate about. Working together, I hope to be able to share and bring these ideas to life. We have endless possibilities to mold and create the foundation for the future of our temple. We have the ability to capitalize on some of our already great programs, like the Religious School and USY, and create some new programs to build new foundations, friendships and everlasting memories.
