

Bob Gold, vice president of administration

What are your current roles at TI?

I am currently serving my second year as VP of Administration, responsible for overseeing the front office, the facilities Staff, and generally all aspects of maintenance for the building and property. I have been a member of board and/or e-board for 16 of the past 18 years, serving across the three finance positions as well as Nominating Committee in one of the “off” years.

How long have you been a member of TI?

My wife Esta and I have been members of Temple Israel for 25 years. Our two daughters graduated from the Judy Gordon Nursery School and the TI Religious School, and had their B’nai Mitzvah here.

What do you do for work and in your free time?

I have been in sales and marketing as principal of B G Marketing, Inc. since 1986. I enjoy playing golf, cooking, gardening, dining out with friends, going to the beach and cheering for our local sports teams.

What excites you most about the future of TI?

I am excited about the growth and excitement of our Religious School, and the opportunity for growth in the Nursery school. I am also very proud of the job that Adelfo and his staff do in maintaining our vintage 1950 building.
