What are your current roles at TI?

I have been a member of the TI Board since 2015 and am active in the Men's Club, currently serving as first vice president.

How long have you been a member of TI?

Our family joined TI in 2007 when our older daughter started at Judy Gordon Nursery School.

What do you do for work and in your free time?

I work in finance, running my own practice providing M&A, financing and valuation services for lower middle market companies. Family absorbs most of the rest of my time, along with opportunistic exercise and outdoor activities.

What excites you most about the future of TI?

We were drawn to TI and remain passionate about it because of its active, vibrant membership and inclusive values.
