

**David Tursky, president**

**What are your current roles at TI?**

I have been a member of the Board of Directors for 10 years. I have served as vice president of administration, board secretary, and a member of the nominating committee. I have also served as chairman of the Youth Committee, a member of the Bima Accessibility Committee, founded the Temple Israel Scrip Card Program, and produce the reports and seat labels for the High Holidays.

**How long have you been a member of TI?**

Holly and I have been temple members for 16 years. Our children Daniel and Bonnie attended the Gilvarg Religious School and had their B'nai Mitzvah in our sanctuary.

**What do you do for work and in your free time?**

I started my computer services company Unlimited Links Inc. in 1986, providing service to businesses, professional offices, non-profits and home computer users. When the weather is nice, you'll find me in New Hampshire sitting by the lake or in my boat casting a few fishing lines. In the winter, I run a ten pin bowling league in Shrewsbury (new bowlers are welcome). On most Shabbat mornings, you'll find me in the sanctuary with my temple friends.

**What excites you most about the future of TI?**

I am excited about our dedicated volunteers who work hard to ensure that Temple Israel's religious services and programs are the most inviting in the MetroWest community.
