

Richard Sugarman

What are your current roles at TI?

I have been a member of the Board of Directors on and off since approximately 2008.

How long have you been a member of TI?

My wife, Halye, and I joined TI shortly after moving to Natick in 2003. Our children Adam and Jonathan both attended the Judy Gordon Nursery School and currently attend the Gilvarg Religious School.

What do you do for work and in your free time?

I am an associate general counsel at Boston Medical Center where I practice in a wide range of legal areas affecting hospital operations. I also am an adjunct faculty member at Boston University School of Law and an Army Reserve officer. As an Army Reserve officer, I deployed to Iraq for most of 2011 and served as the legal advisor to the commander of the Army's Medical Task Force. When I am not working, I enjoy being outdoors and spending time with my family and our newly rescued dog, Sammie.

4. What excites you most about the future of TI?

Temple Israel is a welcoming, exciting community. We continue to attract people of all ages who seek a connection to the Jewish people.
