

## **Stewart Brandt**

### **What are your current roles at TI?**

I am a member of the Board of Directors, the Thursday morning Minyan Captain (20 years), and a High Holiday usher. I also serve as a general helper for many fund raisers.

### **How long have you been a member of TI?**

I've been involved with TI since birth - my late parents joined TI after moving to Natick in 1951, and became a Bar Mitzvah here in 1966. I graduated from our Religious School and Hebrew High School. I am also a former TI and Regional USY officer. My wife Gretchen and I have been members for over 25 years. We raised our four children (Emma, Ilana, Jacob and Aaron) in TI.

### **What do you do for work and in your free time?**

I own and operate H. Brandt Jewelers in downtown Natick. In my free time I play golf in the nicer weather. We travel to Israel once or twice a year to visit our daughter and her family. I am active in the Natick Rotary Club and Meridian Lodge of Masons.

### **What excites you most about the future of TI?**

It excites me to see Temple Israel flourish for the current generation in much the same way my parents helped grow the community for my generation.
