Please join us as members of the Sisterhood lead Shabbat services. Our special scholar will be author Beth Kissileff, PhD.

The Sisterhood is sponsoring a luncheon after the service, after which Beth will read from her new novel (*Questioning Return*) and lead a discussion on it.

This year, our guest speaker will be author Beth Kissileff, PhD. Beth writes regularly for *Tablet*, the *Forward*, the *New York Jewish Week*, the *New York Times*, *Haaretz*, the *Jerusalem Post*, and the *Jerusalem Report*. She also recently published two books, *Reading Genesis* and *Questioning Return*. Beth will give a D'var Torah during services. After lunch, she will read from her new novel (*Questioning Return*) and lead a discussion on it. Hope you'll join us!
