Please come to class each week, prepared, and with:

- 1) **A binder or folder with this packet in it** (there will be more handouts during the year as well)
- 2) **A set of highlighters** (with yellow, blue, green, pink, purple, orange)

The **Recommended Daily Allowance of practice** is about 10-15 minutes each day to complete your weekly assignments. Once you've begun individual bar/bat mitzvah lessons, this increases to about 30 minutes a day. Class assignments will be emailed out regularly, and if an email hasn't come yet, please review the previous week's assignment. Feel free to call or email anytime with questions.

Thank you!
